Dear 4CSD Community/Professional Development Coordinators,

First, I want to thank David and Rania for hosting the "Navigating Together" webinar last Thursday. It was great to connect with everyone!

Here are links to the CVC-OEI/@ONE resources we mentioned in the call. We hope these can be helpful in your "virtual" Flexible Calendar plans for the coming year:

[On-Demand Webinar Playlist](#): Over 300 recorded webinars on everything from A (accessibility) to Z (Zoom).

CVC-OEI Adoptable Courses: Our most in-demand courses can be downloaded into your college's instance of Canvas and used as part of your local professional development.

Self-paced Courses: Faculty, counselors, and staff can take advantage of our large selection of self-paced courses:

- [Mental Health Counseling \(for Clinicians\)](#)
- [Introduction to Teaching with Canvas](#)
- [Introduction to Designing for Accessibility](#)
- [Accessibility in Canvas](#)
- [ABCs of Online Course Design](#)
- [PDF Accessibility](#)
- [Powerpoint Accessibility](#)
- [Microsoft Word Accessibility](#)
- [Video Captioning for Accessibility](#)

5-Day Challenges: Designed for faculty who are new to online teaching, these fun and interactive self-paced challenges focus on a specific aspect of course design and can be completed in only 20 minutes per day over five days!

Pocket PD Guides: These guides can be used by individuals for self-paced learning, or downloaded and adapted for use in a campus workshop.

We also have our **Canvas Summer Camp** coming in July. I will send more information on that as soon as it's available.

Thanks to all of you making professional development happen on your campus. We hope these resources are helpful as you plan for the coming year!
